For: METHOD OF MOBILIZING HEMATOPOIETIC STEM CELLS

Assistant Commissioner of Patents
Washington, D.C. 20231

RESPONSE

The following remarks are submitted in response to the Official Action dated February 21, 2001, and having a one-month shortened statutory period for response. Claims 28-35 are pending in the application. Claims 28-35 are subject to restriction requirement. Applicants desire to reply as follows.

REMARKS

Claims 28-35 are pending. Claims 28-35 are subject to the following restriction requirement.

I. Restriction Requirement

Restriction to one of the following is required under 35 U.S.C. § 121:

Group I. Claims 28-31, drawn to antibodies specific for modified chemokines, classified in class 530, subclass 387.1.

Group II. Claims 32-35, drawn to methods of inducing expression of factors *in vivo*, classified in class 424, subclass 577.

Applicants elect the invention of Group II, claims 32-35, with traverse. Since Group II was elected, applicants elect the species of SEQ No 5.
